Sunday School

Sunday school will start the 2024-2025 year by looking at how God can help us during back to school time. In October there will be a focus on thankfulness.

This year, we will be offering a youth class that will meet 2 weeks a month, allowing our young people to be in the service the other two months. Come join us during the service on Sunday, September 15 to discuss what we might do during our class time.

We are looking for a couple of people to help with Sunday school, either as a teacher or a helper.

For more information about Sunday school, please talk to Hollie Palmer.

Cambodia Christmas Card Appeal

Make this Christmas Special for children at the Houses of Love, Joy and Peace.

Once again it is our aim to send Christmas cards and gifts to each of the 504 sponsored children in the Houses of Love, Joy and Peace.

This Christmas we are seeking to raise \$10 per child by the Sunday after Thanksgiving. This will allow the leaders enough time to purchase gifts locally in order to be ready for Christmas.. We also want to bless the 21 leaders/staff with a \$10 gift each.

Making a total target of \$5,200.

It's a lot and we appreciate that our congregation has been so generous with the recent Cambodia renovations projects, but these Christmas cards and gifts are so important to the children. Please pray for the children and staff in Cambodia and prayerfully consider if you can give of your finances also.

Small Groups at Cornerstone

Small groups are primarily about fellowship. They allow us opportunities to share our lives with each other, pray for one another, and provide emotional support and accountability. They also provide an opportunity for members to grow spiritually and deepen their faith. The intimacy of a small group setting allows for open discussion, prayer, and study.

Fall is an ideal time to join one of our many small groups:

Mondays 7:30PM - Men's group meets at the church. See Kevin Phillips for more information.

Tuesdays 7PM - Book club meets at the church. See Pastor Dave for more information

Thursdays 7PM - Group meets at various houses. See Susan Wellman for more information

Thursdays 7PM - Group meets at the church. See Evelyn DeVlugt for more information

Please see Pastor Rob DeVlugt for more information about Small Groups in general.
